How the Section 8 Housing Choice Voucher Program Works

The Section 8 Housing Choice Voucher (HCV) Program is federally funded and administered locally by housing authorities. The rules and regulations are determined by the U.S. Department of Housing and Urban Development (HUD) as approved by the U.S. Congress.

The program provides rental assistance that is paid directly to landlords on behalf of low-income families residing in approved rental units.

Once a family is determined eligible for assistance and receives a Housing Choice Voucher (voucher), the family must find an acceptable rental unit. After a rental unit is selected, the family and the landlord complete and return the paperwork provided to the family by the Housing Authority. Then, the Housing Authority must approve the rent, approve the owner, approve the location, inspect and approve the unit, and sign a contract with the landlord. Finally, the family must sign a lease with the landlord with the same terms and conditions as the contract.

The landlord will collect two payments each month—one from the Housing Authority and the other from the family. The assistance the family receives is based on the family's income, the number of bedrooms on the voucher and in the unit, and the rent and utilities paid by the family.

The family pays a minimum of 30 percent of its monthly-adjusted income for rent and utilities. However, the family may not pay more than 40 percent of its monthly-adjusted income for rent and utilities at the time the unit is initially approved.

To continue to receive assistance, the family must follow the rules of the program. If the family fails to comply with program requirements, such as failing to pay rent for any reason, the family's participation in the program may be terminated and/or the family may be required to repay assistance provided on behalf of the family.

The program provides for family mobility and the family is entitled to transfer its voucher anywhere in the United States that has a Housing Authority to administer the family's assistance.

A Three-Way Partnership Within The Section 8 Housing Choice Voucher Program

Grounds For Termination

Grounds for termination include, but are not limited to, violation of any items set forth in this section or the sections on Zero Tolerance for crime, drugs, drug trafficking, gangs, and/or property damage.

The Housing Authority may deny program assistance for an applicant, or terminate program assistance for a participant, for any of the reasons listed below:

- If the family violates any family obligations;
- If any member of the family has ever been evicted from public housing;
- If any member of the family participates in illegal drug or violent criminal activity, including sexual offenses;
- If any member of the family commits fraud, bribery, or any other corrupt or criminal acts in connection with any federal housing program;
- If the family currently owes any money to the Housing Authority or another Housing Authority in connection with Section 8 or Public Housing Programs;

- If the family engaged in or threatened abusive or violent behavior toward Housing Authority personnel;
- If there are serious or repeated violations of the lease.
- If the family fails to pay or withholds its portion of the rent for any reason.

Zero Tolerance of Property Damage

The Housing Authority of the County of San Diego maintains a policy of zero tolerance for property damage. Any intentional, careless, or reckless damage by you, your guests, or your family to your Section 8 rental unit will not be tolerated. As a participant in the Section 8 HCV Program, you must agree to support the Housing Authority's zero tolerance policy. For your part, you are required to:

- Maintain the residence in a clean and sanitary condition at all times;
- Teach young children to help care for and value the home they live in; and
- Avoid and prevent any use of the unit by you, your family, or guests that could result in damage to the residence.

You will be responsible for paying the costs of any damage (beyond normal wear and tear) and you may be terminated from the Section 8 HCV Program as a result of causing or allowing property damage and/or failing to promptly pay for your damages. You must allow your landlord to make repairs at reasonable times and upon reasonable notice.

Zero Tolerance Of Drugs, Crime, and Gangs

The Housing Authority maintains a policy of zero tolerance for gang activity, violent activity, sexual crimes, illegal drug activity, or fraud involving public monies. This means that the commission of a crime such as fraud, bribery or theft, or any acts of violence, sexual offenses, or drug activity, whether or not they are gang related, will not be tolerated.

- **Fraud.** Any attempt at fraud, intentional deceit, or bribery as it relates to any government funds, is grounds for termination from the program.
- **Drug use.** The Housing Authority may terminate assistance for possession and/or use of a controlled substance by any family member or guest.
- **Drug sales (trafficking) or manufacture.** The manufacture, sale, distribution, or the possession with intent to manufacture, sell, or distribute a controlled substance (as defined in Section 102 of the Controlled Substances Act [21 U.S.C. 802]) is strictly prohibited.

- **Alcohol/Personal Use of a Controlled Substance.** The Housing Authority will deny participation in the program in cases where the Housing Authority determines there is reasonable cause to believe that the person is illegally using a controlled substance, or **abuses alcohol** in a way that may interfere with the health, safety or right to peaceful occupancy by other residents. This includes cases where the Housing Authority determines that there is a pattern of illegal use of a controlled substance, or of alcohol abuse.
- **Gangs.** Gang activity by any family member will not be tolerated.
- **Violence.** Violence of any kind is strictly prohibited. There will be no tolerance for the use or threatened use of physical force against any individual inside or outside the residence. This includes assault, battery, child abuse, domestic violence, murder, or any other kind of violence against another person or their property.
- **Sex Crimes.** Sexual offenses are prohibited.

Section 8 housing assistance may be terminated for a breach of any of the items listed above or any other activity deemed criminal in nature. Those violating these rules may be referred to the San Diego County District Attorney's Office for possible prosecution.

Program Review and Tenant Integrity Program

The Housing Authority of the County of San Diego (Housing Authority) administers a Program Review and Tenant Integrity Program. The purpose of the program is to assure that public funds are paid on behalf of qualified and eligible participants. Program Review staff investigates suspected program abuse or misconduct.

In addition to conducting investigations into suspected program abuse, conferences are conducted with participants suspected of violating program requirements. These conferences reinforce the housing assistance participants' obligation to comply with program regulations. Program Review staff conducts independent inspections and random audits of housing assistance files. Confirmation and verification of participant information and housing quality standards is obtained by visual inspection of units and file examination.

It is important that you understand that all information provided to the Housing Authority must be true and complete and is subject to additional review by Program Review staff. You should understand the purpose of the Program Review and Tenant Integrity Program and you must agree to cooperate with any required verifications, inspections, and/or conferences. Do not risk losing your Section 8 rental assistance by providing false, incomplete, and/or inaccurate information on your application and recertification forms.

Informal Hearing Process

If the Housing Authority sends a "Notice of Termination" to you, the notice will contain a brief explanation of the reasons for termination of program participation. You have 14 days from the date of the notice to request an informal hearing if you disagree with the notice.

You must request an informal hearing in writing and state why you are requesting an informal hearing. At the hearing, you will be given an opportunity to present written or oral objections. The hearing officer will notify you of the final decision and provide a brief explanation for the decision.

You may request an Informal Hearing to discuss any of the following issues:

- A determination of the family's annual or adjusted income and the use of such income to compute the housing assistance payment.
- A determination of the appropriate utility allowance for tenant-paid utilities from the Housing Authority utility allowance schedule.
- A determination of the family unit size under the Housing Authority subsidy standards.
- A determination to terminate assistance for a participant family because of the family's action or failure to act.
- A determination to terminate assistance because the participant family has been absent from the assisted unit for a period of time that is greater than 30 consecutive days.

Important Note:

The Housing Authority is not bound by the decision of the hearing officer if the decision exceeds the authority of the hearing officer or if it is contrary to HUD regulations or federal, state, and/or local laws.

Annual Activities

Annual Recertification

HUD requires that all families be reviewed annually to determine continued program eligibility and the appropriate amount of assistance. This process is called the annual “recertification.” Approximately eight months after you are first approved for assistance, you will receive a recertification letter and packet from the Housing Authority. It is important that you promptly complete and return your packet and all requested information by the deadline. If you fail to return the requested information by the deadline, you will be notified that your assistance will be terminated. It is important that you promptly contact your housing authority representative if you receive a notice to terminate benefits.

Annual Inspection

The Housing Authority must inspect your housing unit at least annually. Approximately eight months after you are first approved for assistance, you will be notified by letter or telephone of the date and time of your annual inspection. It is your responsibility to make sure that the head of household or spouse is available to allow the inspector to enter the premises. You must cooperate to avoid an interruption in or termination of your housing assistance. The inspector may not be able to answer questions regarding your case. You should contact your assigned housing representative to report changes in your situation or to ask questions about your case.

Interim Review

Certain changes in your status may require a review by the Housing Authority. A review of your eligibility and the level of your benefits may take place when your household composition or your income changes. In addition, the Housing Authority may review your status when it receives information indicating that you have violated your program obligations.

Enterprise Income Verification System

Income and employment information reported by assisted households is compared to the income and employment information reported to HUD’s Enterprise Income Verification (EIV) System. If there is a discrepancy between the income and employment information reported by you to the Housing Authority and the income and employment information reported to HUD’s EIV System by employers and agencies providing benefits, the Housing Authority will research the discrepancies and take the appropriate action if it is found that income and employment information was not reported, underreported, or reported late. The action that will be taken as a result of unreported or underreported income may include termination of program participation and/or repayment of overpaid housing assistance benefits.

Moving Procedures

Before you move, you must notify the Housing Authority and the landlord in compliance with State law and the lease. The Housing Authority must approve your move in advance and the Housing Authority will not transfer your assistance more than once in a 12-month period.

Follow these steps to transfer your assistance:

- After your lease term and with Housing Authority approval, give your landlord an advance 30 to 60 day written notice as required by State law and send a copy to your housing representative.
- If your landlord gives you notice to move, send a copy to your housing representative right away. The Housing Authority does not advise on tenant-landlord law. If you believe your notice is deficient and you intend to not comply with the notice, you should seek legal advice and notify the Housing Authority of your intention.
- Make sure all of your belongings are removed from your unit by the end of the notice period.
- Leave the unit clean and in good condition.
- Never allow yourself to be evicted. Eviction may cause you to lose your assistance.

The Housing Authority must conduct a criminal history and sex offender background check before your rental assistance can be started in a new location.

Deciding where you want to live.

As you search for suitable housing, try to select a place that meets your family's needs because you must remain at the new location at least one year. Here are some suggestions to consider:

Schools. If you have school-aged children, consider the various school districts that are available, as well as the distance from the housing unit to the school.

Safety. Consider the neighborhood and its surroundings. Avoid high crime areas.

Work. Consider the distance between your workplace and the location of the housing unit.

Child Care. Consider child care availability in the area of the housing unit. If you work, what is the distance between the housing unit, the child care provider, and your work location?

Public Transportation. If you do not have a vehicle, what is the access to public transportation in the area of the housing unit?

Premises and Neighborhood. Is there a place for children to play outside safely? Is the unit in a high crime area? What is the general condition of the neighborhood? Are you close to essential services (e.g., medical, police, fire)? Is there a church nearby? Is there adequate parking for you and your guests? Is the area/building well lit at night?

If you live in a high-poverty area, you should consider searching for a housing unit in another area. A low-poverty area may provide possible advantages to your family, such as improved employment and educational opportunities.

New Unit

- Pay the full security deposit and your portion of the rent to your new landlord.
- All moving costs and utility hookup charges are your responsibility.
- The initial lease period must be for a minimum of six (6) months.
- The Housing Authority will not transfer your assistance more than once in a 12-month period, so make sure that you are willing to stay at least one year.
- The Housing Authority cannot begin assistance on a new unit until it inspects and passes the unit and executes a contract with the landlord. If you move into a unit before this is done, you are responsible for full rent until the unit is approved.

Releasing Information To Prospective Owners. The Housing Authority will, upon request, provide the prospective landlord/manager your current address and the name and address of your current and previous owners. The Housing Authority will, upon request, also provide any documentation in your file reflecting a history of eviction, damage to rental units, or drug trafficking.

Jurisdiction. The Housing Authority of the County of San Diego serves the following communities:

Alpine	Bonita	Bonsall	Borrego Springs
Boulevard	Chula Vista	Coronado	Del Mar
Descanso	Dulzura	El Cajon	Escondido
Fallbrook	Guatay	Imperial Beach	Jamul
Julian	Lakeside	La Mesa	Lemon Grove
Lincoln Acres	Pala	Pauma Valley	Pine Valley
Potrero	Poway	Ramona	San Marcos
Santa Ysabel	Santee	Solana Beach	Spring Valley
Tecate	Valley Center	Vista	Warner Springs
Unincorporated			

Important: Cities that lie outside the jurisdiction of the County Housing Authority are: Carlsbad, Encinitas, National City, Oceanside, and the City of San Diego.

Portability. Portability is the HUD term for the ability to move outside your housing agency's jurisdiction with continued rental assistance.

You can usually use your voucher across town or anywhere in the United States that has a housing authority to accept your voucher.

The Housing Authority may limit moves under portability, so contact your housing representative regarding the portability feature.

Facts About Portability. Keep in mind that different housing authorities may have different policies and deadlines. Different housing authorities may have different voucher payment standards and utility allowances that could affect the amount you pay for rent. You may also receive a different size voucher based on the new housing authority's occupancy standards.

As a new admission to the program, you may find you are not eligible for assistance in another jurisdiction due to different income limits. It is important that you find this out before you take advantage of portability.

Portability and FSS. If you are participating in a Family Self-Sufficiency (FSS) program, make sure that you discuss your move with your housing representative. If you cannot fulfill your FSS obligations in the new location, your FSS contract may be terminated and you may lose your escrow balance.

Inspection Checklist

It is necessary for the unit where you plan to receive rental assistance pass a housing quality standards (HQS) inspection before payments will be made. The unit will also need to pass inspection each year for rental assistance payments to continue. A failed inspection could delay the start of payments or endanger the continuation of payments. You must notify your housing representative if your landlord fails to make repairs within a reasonable period of time to conditions that affect the habitability of your assisted unit.

The Housing Authority will inspect the following eight areas for Housing Quality Standards (HQS) compliance:

Lead-Based Paint Hazard

Be aware that your family can be poisoned by lead based paint. Lead poisoning causes serious physical harm, particularly to small children.

Your children may be suffering from lead poisoning if they show the following symptoms:

- Crankiness or irritability over a long period of time.
- Little or no appetite.
- Frequent stomach aches.
- Frequent vomiting.

Sometimes your children may not appear sick at all, but they are being poisoned in a way that could damage their minds and bodies. If you believe your children have been exposed to lead-based paint, seek immediate medical attention. Your health care provider can test your children for lead poisoning.

Your family may be at greatest risk if:

- You have children under the age of six;
- You have selected a unit built prior to January 1, 1978; and,
- Your pre-1978 unit has chipping, peeling, scaling, and/or loose paint inside or outside.

If you live in a pre-1978 unit, be aware of the conditions of the unit. Although not all pre-1978 units contain lead-based paint, lead poisoning of your children may occur if the unit contains lead-based paint and:

- Your children eat paint chips;
- Your children chew on painted surfaces such as moldings or window frames;
- Your children play in soil underneath painted areas, such as eaves or painted siding that are, or had been deteriorating; and,
- Your children breathe dust created by deteriorating painted surfaces.

You may receive Section 8 rental assistance in a pre-1978 unit, but the Housing Authority will not approve the unit if your children are under the age of six, and the unit's paint surfaces show signs of deterioration as indicated by cracking, scaling, chipping or peeling paint.

If the unit fails a Housing Authority inspection, your landlord will be given information on how to correct the problems. Your landlord must make the repairs in accordance with special lead-based paint rules and regulations. Your landlord must take all necessary steps to keep your family safe from harm.

Federal Privacy Statement

The U.S. Department of Housing and Urban Development (HUD) collects and discloses data on applicants and participants in the Section 8 HCV Program in accordance with the U.S. Privacy Act of 1974. The information is released to appropriate federal, state, or local agencies to verify information relevant to participation in the rental assistance programs and, when applicable, to other civil, criminal, or regulatory bodies.

For every participant, the Housing Authority completes a data collection form (HUD 50058) with information about household size, cost of rent, income and assets, and social security numbers. This information is used by HUD to

develop budgets, evaluate, plan, monitor programs, and prepare reports to the President and Congress. The information is also used to verify accuracy and completeness of income information and detect fraud.

HUD is permitted to ask for the information by the U.S. Housing Act of 1937 as amended, 42 USC, 1437 et. seq., the Housing and Community Development Act 1981, Public Law 97-35, 85 Stat., 348, 408.

Failure to disclose information or social security numbers constitutes grounds for denying eligibility or continued eligibility pursuant to Title 24 Code of Federal Regulations.

Proof of Citizenship Status

Section 214, Part 812 of the Code of Federal Regulations states:

- All family members must submit evidence of citizenship or eligible immigration status for verification.
- Verification or evidence of citizenship or eligible immigration status must be submitted at the point of eligibility determination.

Violence Against Women Act

On January 6, 2006, President Bush signed into law the Violence Against Women and Department of Justice Reauthorization Act of 2005. The law prohibits the denial of admission, termination of assistance, or termination of tenancy for lease violations, criminal activities, or other good cause if the violations occurred as a direct result of a family member being the victim of domestic violence, dating violence, or stalking. The restrictions are described in the Tenancy Addendum, which is the document provided by the Housing Authority that supplements the lease agreement.

Family Self Sufficiency Program

The Family Self Sufficiency (FSS) Program helps families develop and continue educational and career goals. Participants are encouraged to seek training or education that will enable them to work or improve their current employment situation. The program is available to Section 8 HCV Program participants. There is a waiting list for the FSS Program. Those admitted to the FSS Program enter into five-year contracts with goals to achieve economic independence. As participants increase their earned income and pay more of their rent, the Housing Authority saves money by paying less of their rent. Families may be eligible to the money saved if they meet their goals by the end of their five-year contract.

For Your Protection

Landlords/Managers Have A Responsibility To:

- Consider all qualified applicants equally;
- Indicate no preference when advertising or showing units;
- Give all applicants accurate and complete information about available units, occupancy dates, rental terms, and conditions;
- Refrain from making written or verbal inquiries about an applicant's ethnicity, religion, sex, disability, marital or familial status; and,
- Be consistent in applying rental policies.

Landlords/Managers Must Never:

- Ask for money from tenants beyond the rental contract and standard credit check charges;
- Offer money and/or gifts to Housing Authority employees for favors; or,
- Pay or offer payment for "referral or finder fees" to Housing Authority employees for steering Section 8 recipients to vacant units.

If you should have information about a landlord or manager engaging in any of the above activities, please call the Program Review Coordinator at (858) 694-4832.

If you have reason to believe you are a victim of housing discrimination, you have the right to file a housing discrimination complaint. A complaint form is available from any HUD office. You should also report all information about violations of the Federal Fair Housing Law to HUD, even if you do not file a formal complaint.

To file a report with HUD, please call:
Fair Housing Complaint Hotline: 1-800-669-9777.

Federal and State Laws

Fair Housing Laws

It is a violation of federal law for a housing provider to refuse to rent or sell a home, to offer unequal terms, quote different prices, or apply different policies on the basis of race, color, religion, disability or handicap, sex, familial status, or national origin. State law prohibits discrimination on the basis of marital status, ancestry, age, or familial status. Some of these laws are described below.

State of California

Fair Employment and Housing Act (Rumford Fair Housing Act of 1963) prohibits discrimination on the basis of race, color religion, sex, national origin, ancestry, and marital status. A complaint may be filed with the Department of Fair Employment and Housing.

Unruh Civil Rights Act (1893, AMENDED 1959) prohibits discrimination in all public accommodations including rental housing and adds arbitrary discrimination to bases covered by the Fair Employment and Housing Act.

Ralph Civil Rights Act (1976) prohibits violence or the threat of violence against protected classes in the exercise of their fair housing rights.

Federal Government

Civil Rights Act of 1866 protects the right of all persons to “inherit, purchase, lease, sell, hold, and convey” real and personal property. Bases covered are race and national origin.

Civil Rights Act of 1968, Title VIII prohibits discrimination based on race, color, national origin, religion, and sex.

Fair Housing Amendments Act of 1988 bars discrimination in the sale or rental of housing on the basis of a disability or because there are children in the family, but exempts housing for older persons.

1. Housing Choice Voucher Program

- A. The public housing agency (PHA) has determined that the above named family (item 5) is eligible to participate in the housing choice voucher program. Under this program, the family chooses a decent, safe and sanitary unit to live in. If the owner agrees to lease the unit to the family under the housing choice voucher program, and if the PHA approves the unit, the PHA will enter into a housing assistance payments (HAP) contract with the owner to make monthly payments to the owner to help the family pay the rent.
- B. The PHA determines the amount of the monthly housing assistance payment to be paid to the owner. Generally, the monthly housing assistance payment by the PHA is the difference between the applicable payment standard and 30 percent of monthly adjusted family income. In determining the maximum initial housing assistance payment for the family, the PHA will use the payment standard in effect on the date the tenancy is approved by the PHA. The family may choose to rent a unit for more than the payment standard, but this choice does not change the amount of the PHA's assistance payment. The actual amount of the PHA's assistance payment will be determined using the gross rent for the unit selected by the family.

2. Voucher

- A. When issuing this voucher the PHA expects that if the family finds an approvable unit, the PHA will have the money available to enter into a HAP contract with the owner. However, the PHA is under no obligation to the family, to any owner, or to any other person, to approve a tenancy. The PHA does not have any liability to any party by the issuance of this voucher.

- B. The voucher does not give the family any right to participate in the PHA's housing choice voucher program. The family becomes a participant in the PHA's housing choice voucher program when the HAP contract between the PHA and the owner takes effect.
- C. During the initial or any extended term of this voucher, the PHA may require the family to report progress in leasing a unit at such intervals and times as determined by the PHA.

3. PHA Approval or Disapproval of Unit or Lease

- A. When the family finds a suitable unit where the owner is willing to participate in the program, the family must give the PHA the request for tenancy approval (on the form supplied by the PHA), signed by the owner and the family, and a copy of the lease, including the HUD-prescribed tenancy addendum. **Note: Both documents must be given to the PHA no later than the expiration date stated in item 3 or 4 on top of page one of this Voucher.**
- B. The family must submit these documents in the manner that is required by the PHA. PHA policy may prohibit the family from submitting more than one request for tenancy approval at a time.
- C. The lease must include, word-for-word, all provisions of the tenancy addendum required by HUD and supplied by the PHA. This is done by adding the HUD tenancy addendum to the lease used by the owner. If there is a difference between any provisions of the HUD tenancy addendum and any provisions of the owner's lease, the provisions of the HUD tenancy addendum shall control.

- D. After receiving the request for tenancy approval and a copy of the lease, the PHA will inspect the unit. The PHA may not give approval for the family to lease the unit or execute the HAP contract until the PHA has determined that all the following program requirements are met: the unit is eligible; the unit has been inspected by the PHA and passes the housing quality standards (HQS); the rent is reasonable; and the landlord and tenant have executed the lease including the HUD-prescribed tenancy addendum.
- E. If the PHA approves the unit, the PHA will notify the family and the owner, and will furnish two copies of the HAP contract to the owner.
 - 1. The owner and the family must execute the lease.
 - 2. The owner must sign both copies of the HAP contract and must furnish to the PHA a copy of the executed lease and both copies of the executed HAP contract.
 - 3. The PHA will execute the HAP contract and return an executed copy to the owner.
- F. If the PHA determines that the unit or lease cannot be approved for any reason, the PHA will notify the owner and the family that:
 - 1. The proposed unit or lease is disapproved for specified reasons, and
 - 2. If the conditions requiring disapproval are remedied to the satisfaction of the PHA on or before the date specified by the PHA, the unit or lease will be approved.

4. Obligations of the Family

- A. When the family's unit is approved and the HAP contract is executed, the family must follow the rules listed below in order to continue participating in the housing choice voucher program.
- B. The family must:
 - 1. Supply any information that the PHA or HUD determines to be necessary including evidence of citizenship or eligible immigration status, and information for use in a regularly scheduled reexamination or interim reexamination of family income and composition.
 - 2. Disclose and verify social security numbers and sign and submit consent forms for obtaining information.
 - 3. Supply any information requested by the PHA to verify that the family is living in the unit or information related to family absence from the unit.
 - 4. Promptly notify the PHA in writing when the family is away from the unit for an extended period of time in accordance with PHA policies.
 - 5. Allow the PHA to inspect the unit at reasonable times and after reasonable notice.
 - 6. Notify the PHA and the owner in writing before moving out of the unit or terminating the lease.
 - 7. Use the assisted unit for residence by the family. The unit must be the family's only residence.
 - 8. Promptly notify the PHA in writing of the birth, adoption, or court-awarded custody of a child.
 - 9. Request PHA written approval to add any other family member as an occupant of the unit.

- 10. Promptly notify the PHA in writing if any family member no longer lives in the unit.
- 11. Give the PHA a copy of any owner eviction notice.
- 12. Pay utility bills and provide and maintain any appliances that the owner is not required to provide under the lease.

- C. Any information the family supplies must be true and complete.
- D. The family (including each family member) must not:
 - 1. Own or have any interest in the unit (other than in a cooperative, or the owner of a manufactured home leasing a manufactured home space).
 - 2. Commit any serious or repeated violation of the lease.
 - 3. Commit fraud, bribery or any other corrupt or criminal act in connection with the program.
 - 4. Engage in drug-related criminal activity or violent criminal activity or other criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises.
 - 5. Sublease or let the unit or assign the lease or transfer the unit.
 - 6. Receive housing choice voucher program housing assistance while receiving another housing subsidy, for the same unit or a different unit under any other Federal, State or local housing assistance program.
 - 7. Damage the unit or premises (other than damage from ordinary wear and tear) or permit any guest to damage the unit or premises.
 - 8. Receive housing choice voucher program housing assistance while residing in a unit owned by a parent, child, grandparent, grandchild, sister or brother of any member of the family, unless the PHA has determined (and has notified the owner and the family of such determination) that approving rental of the unit, notwithstanding such relationship, would provide reasonable accommodation for a family member who is a person with disabilities.
 - 9. Engage in abuse of alcohol in a way that threatens the health, safety or right to peaceful enjoyment of the other residents and persons residing in the immediate vicinity of the premises.

5. Illegal Discrimination

If the family has reason to believe that, in its search for suitable housing, it has been discriminated against on the basis of age, race, color, religion, sex, disability, national origin, or familial status, the family may file a housing discrimination complaint with any HUD Field Office in person, by mail, or by telephone. The PHA will give the family information on how to fill out and file a complaint.

6. Expiration and Extension of Voucher

The voucher will expire on the date stated in item 3 on the top of page one of this voucher unless the family requests an extension in writing and the PHA grants a written extension of the voucher in which case the voucher will expire on the date stated in item 4. At its discretion, the PHA may grant a family's request for one or more extensions of the initial term.

I understand that if the HACSD portion is prorated, it is my responsibility to agree on the rent difference with the owner/manager.
- c. I understand that failure to pay utilities or failure to provide and maintain any appliances that are required of me by the lease or allowing any member of the household or guest to damage the unit or premises beyond normal wear and tear is in violation of Housing Quality Standards (HQS). I understand the HACSD may terminate assistance in accordance with the federal regulations for a violation of HQS caused by my family or guests.

8) Home Business

- a. I understand that I can have a legal profit making business in my unit as long as the unit is still primarily used for the residence of my family and I am not in violation of my lease. I must get written permission from my landlord before starting a business in my unit.

- a. I understand that the HACSD may allow extended family absences from the assisted unit; the absence may not exceed 180 consecutive days under any circumstances, except to provide “reasonable accommodation” to a person with disabilities. Family absences which are expected to last longer than one month must be approved by the HACSD. Acceptable reasons for extended family absences may include but are not limited to: illnesses or medical situations which require in-patient treatment, absences to care for relatives, and absences due to a family death. Unapproved absences lasting longer than one month may be subject to termination of rental assistance benefits. The participant must request approval in writing and inform the HACSD of the nature of the absence. Absences will not be approved for imprisonment.

I understand rental assistance may be denied or terminated if: 1) the family currently owes rent or other amounts to the HACSD or to any other Housing Authority in connection with Section 8 Housing Choice Voucher assistance including outstanding amounts paid to an owner under a HAP contract for rent, damages or other amounts owed by the family under the lease; 2) the family breaches an agreement or at the time of annual re-examination fails to become current in accordance with an agreement with the HACSD to pay amounts owed.

- a. I understand that the HACSD shall terminate families who engage in drug-related criminal activity regardless of where the criminal activity takes place.
- b. I understand the HACSD shall terminate families who engage in violent criminal activity, including spousal abuse, child abuse, threats to landlords, neighbors, and violence against property.
- c. I understand the HACSD will deny assistance to applicants and terminate the assistance of participants if any household member has been evicted within the last five years from federally assisted housing for drug-related criminal activity.
- d. I understand the HACSD will permanently deny assistance to applicants and terminate the assistance of participants if any household member has been convicted of manufacturing or producing methamphetamine on the premises of federally assisted housing.

- Section 8 Moderate Rehabilitation (24 CFR 882)

The U.S. Department of Housing and Urban Development maintains a national repository of debts owed to Public Housing Agencies (PHAs) or Section 8 landlords and adverse information of former participants who have voluntarily or involuntarily terminated participation in one of the above-listed HUD rental assistance programs. This information is maintained within HUD's Enterprise Income Verification (EIV) system, which is used by Public Housing Agencies (PHAs) and their management agents to verify employment and income information of program participants, as well as, to reduce administrative and rental assistance payment errors. The EIV system is designed to assist PHAs and HUD in ensuring that families are eligible to participate in HUD rental assistance programs and determining the correct amount of rental assistance a family is eligible for. All PHAs are required to use this system in accordance with HUD regulations at 24 CFR 5.233.

HUD requires PHAs, which administers the above-listed rental housing programs, to report certain information at the conclusion of your participation in a HUD rental assistance program. This notice provides you with information on what information the PHA is required to provide HUD, who will have access to this information, how this information is used and your rights. PHAs are required to provide this notice to all applicants and program participants and you are required to acknowledge receipt of this notice by signing page 2. Each adult household member must sign this form.

What information about you and your tenancy does HUD collect from the PHA?

The following information is collected about each member of your household (family composition): full name, date of birth, and Social Security Number.

The following adverse information is collected once your participation in the housing program has ended, whether you voluntarily or involuntarily move out of an assisted unit:

1. Amount of any balance you owe the PHA or Section 8 landlord (up to \$500,000) and explanation for balance owed (i.e. unpaid rent, retroactive rent (due to unreported income and/ or change in family composition) or other charges such as damages, utility charges, etc.); and
2. Whether or not you have entered into a repayment agreement for the amount that you owe the PHA; and
3. Whether or not you have defaulted on a repayment agreement; and
4. Whether or not the PHA has obtained a judgment against you; and
5. Whether or not you have filed for bankruptcy; and
6. The negative reason(s) for your end of participation or any negative status (i.e. abandoned unit, fraud, lease violations, criminal activity, etc.) as of the end of participation date.

Who will have access to the information collected?

This information will be available to HUD employees, PHA employees, and contractors of HUD and PHAs.

How will this information be used?

PHAs will have access to this information during the time of application for rental assistance and reexamination of family income and composition for existing participants. PHAs will be able to access this information to determine a family's suitability for initial or continued rental assistance, and avoid providing limited Federal housing assistance to families who have previously been unable to comply with HUD program requirements. If the reported information is accurate, your current rental assistance may be terminated and your future request for HUD rental assistance may be denied for a period of up to ten years from the date you moved out of an assisted unit or were terminated from a HUD rental assistance program.

How long is the debt owed and termination information maintained in EIV?

Debt owed and termination information will be maintained in EIV for a period of up to ten (10) years from the end of participation date.

What are my rights?

In accordance with the Federal Privacy Act of 1974, as amended (5 USC 552a) and HUD regulations pertaining to its implementation of the Federal Privacy Act of 1974 (24 CFR Part 16), you have the following rights:

1. To have access to your records maintained by HUD.
2. To have an administrative review of HUD's initial denial of your request to have access to your records maintained by HUD.
3. To have incorrect information in your record corrected upon written request.
4. To file an appeal request of an initial adverse determination on correction or amendment of record request within 30 calendar days after the issuance of the written denial.
5. To have your record disclosed to a third party upon receipt of your written and signed request.

What do I do if I dispute the debt or termination information reported about me?

You should contact the PHA, who has reported this information about you, in writing, if you disagree with the reported information. The PHA's name, address, and telephone numbers are listed on the Debts Owed and Termination Report. You have a right to request and obtain a copy of this report from the PHA. Inform the PHA why you dispute the information and provide any documentation that supports your dispute. Disputes must be made within three years from the end of participation date. Otherwise the debt and termination information is presumed correct. Only the PHA who reported the adverse information about you can delete or correct your record.

Your filing of bankruptcy will not result in the removal of debt owed or termination information from HUD's EIV system. However, if you have included this debt in your bankruptcy filing and/or this debt has been discharged by the bankruptcy court, your record will be updated to include the bankruptcy indicator, when you provide the PHA with documentation of your bankruptcy status.

The PHA will notify you in writing of its action regarding your dispute within 30 days of receiving your written dispute. If the PHA determines that the disputed information is incorrect, the PHA will update or delete the record. If the PHA determines that the disputed information is correct, the PHA will provide an explanation as to why the information is correct.

Report of Changes

Section 8 HCV Program participants are required to report in writing within 14 days of any changes in income, assets, additions to the household through birth, adoption, court awarded custody, return of a disabled or minor child, or if someone moves out of the household. Permission for additions to the household, other than by birth, adoption, court awarded custody or the return of minor or disabled children, must be approved in advance by the landlord and the Housing Authority prior to the person moving into the assisted unit. If someone is allowed to move in without advance approval, that person is considered an unauthorized occupant; all housing assistance paid during the time the unauthorized person was residing in the unit must be repaid and program participation may be terminated. Additions to the household are limited to two per year, and adults cannot be added unless they have a steady source of income and, if employed, are required to be employed full-time for the previous 12 months.
